

MEMORANDUM

TO: Municipal Land Use Boards
FROM: Amy Ignatius, Director
DATE: February 26, 2007
SUBJECT: 14th Spring Planning Conference

Spring is just around the corner and it's time again for the Office of Energy and Planning's *Spring Conference for Planning and Zoning Board Members*. This year's conference is scheduled for Saturday, April 28th at the Radisson Hotel, Center of New Hampshire in Manchester, NH.

New Conference Format!

As you review the enclosed agenda, you may notice our new format. This new format will feature a general morning session with Peter Francese, a demographics and consumer marketing expert, who will share his thoughts on current and future demographic trends and how they will impact our planning activities. We've also added sessions giving participants more options and access to planning information.

As always, **space is limited**, so please forward your registration and fees as soon as possible. You can also **register on-line** at: www.nh.gov/oep to ensure your first choices for sessions. If you have any questions, please contact Michele Zydel at 271-2155 (or via e-mail at michele.zydel@nh.gov) at our office. And don't forget to circulate the agenda and registration among your board members!

It is our hope that this new conference format will provide better learning opportunities for everyone. Thank you for your interest and I look forward to seeing you at the Conference!
